

Signs and Graphics

- Now you can have professionally made signs and graphics for your displays and display table at your craft shows.
- Our sign templates are designed to exactly fit our displays.
- Choose between standard template signs or semi-custom template signs.
- Our sign template designs are professionally created and work well as is.
- We will customize your new sign with your logo, your own copy and company colors for your logo and name. Just email us a sharp, clean 300DPI, JPEG of your logo and/or picture (as large as possible - 8-12" is good) along with the exact copy you want included on your sign. All included in the price.
- Printed on heavy, adhesive backed, 8 mil, water-resistant, matte paper.

(Rosehill Soap is fictitious. www.rosehillsoap.com does not exist). Sign is shown for example only. **Position of copy blocks cannot be altered or it becomes a custom sign and will be charged at custom prices.**

We can also make a totally custom sign for your existing display, email us with your phone number and ideas for a quote.

Order your sign then email us with your logo attached, and the copy you wish on the sign along with your phone number. We will then contact you to finish the order.
